## 6) Update from the Departments

### a) Cultural Department

#### Past Event

Dr. Purvi Mehta informed the house about the recent *Ganpati Decoration Competition*, where 30 members participated. Out of them, 5 winners were declared:

1. Dr. Ashwini Keskar
2. Dr. Deepak Rasal
3. Dr. Rachana Shroff
4. Dr. Kaustubh Tamhane
5. Dr. Utpal Sheth

#### Upcoming Events

### 1. Fun Fair Programme

For the first time, Kandivali Medical Association is organizing a *Fun Fair* on **23rd November 2025** at *Samta Krida Bhavan*. The date was revised as the venue was not available earlier.

- This event is open to all members along with their families and friends.
- The programme will include a combination of **food, games, mind-challenging activities, and entertainment stalls**, aiming to create a lively and inclusive atmosphere.
- Approximately **30 stalls** of food, games, and entertainment can be accommodated
- The objective is to promote bonding among members, active participation, and fellowship in a vibrant social environment.
- We are expecting **500–1000 participants**, including members, their families, and guests.
- Charges for participation will be announced shortly, as we are still finalizing external stalls.
- It was discussed that if the event accommodates around **1000 participants**, it will operate on a **non-profit basis**. If the numbers rise to 1500–2000, the feasibility of maintaining a non-profit structure will need further consideration.

### 2. Overnight Picnic (6th–7th December 2025 – Ayush Resort Trip)

**Venue & Dates:** Ayush Resort, 6–7 Dec 2025.

**Charges:** Rs.7,403 per room on twin sharing basis (Monteria Village) + Rs.400/per person extra breakfast (Ayush Resort) = Rs.8,200 (all meals & activities per couple).

Extra adult: Rs.3,803 | Child 5–11 yrs: Rs.2,048 | Below 5 yrs: free.

**Rooms:** 22 rooms (twin sharing, max 44 persons; extra beds possible up to ~66). Same category, same charges.

**Payments:** 50% advance. KMA responsible only for 22 rooms. Extra guests/room service/laundry to be settled directly with hotel.

**Travel:** Not included; self or group travel to be arranged separately.

### 3. Online Rangoli Competition (Diwali Celebration)

Dr. Purvi Mehta informed the house that an Online Rangoli Competition will be organized during the upcoming Diwali festival.

## b) Sports Department

Mr. Sachit Naiksatam proposed organizing a football match.

In response, Dr. Saurabh Dani suggested that football might be too aggressive and recommended **Box Cricket/Bowling** as a better alternative.

Mr Niaksatam will work on it and revert.

## c) Vision Department

Dr. Chintamani Kuchekar informed the house that the next issue of Vision is scheduled for release on 10th October 2025, and a few articles are still awaited.

In response, Dr. Saurabh mentioned that 10th October would be too late, as Diwali falls on 23rd October 2025. He emphasized that *Vision* should reach everyone well before Diwali. While he can circulate a soft copy via WhatsApp, there would be challenges in sending hard copies on time.

Additionally, Dr. Vipul Vakil pointed out that if the compilation is completed only by 10th October, the printer would still require a minimum of one week for printing, especially since printers are heavily occupied during the festive season. Courier time would add further delay. He suggested that the compilation should ideally be completed within this week itself.

## e) Public Awareness Department

Dr. Utpal Sheth informed the house that a request has been received from KES School for a CPR program, and the date of 13th November 2025 has been reserved.

He further mentioned that on 13th October 2025, a CPR program will also be conducted for nurses and other participants, where everyone is welcome to join. KES School has also agreed to provide one of their halls for the program.

Additionally, Dr. Saurabh Dani informed the house that a COLS training workshop will be organized every month. This will be a paid workshop and will remain open to all residents of Kandivali.

## f) Scientific Department

Dr. Aarti Vyas presented an update on the last three CMEs held in July, August and September. The Gross Revenue was approximately Rs.3,30,000, with a Profit before Tax of around Rs.1,80,000 after expenses. She noted that delegate attendance has increased since the venue was shifted from Radha Banquet to Banana Leaf. However, she emphasized the need to strictly limit sponsor contributions to Rs.30,000, as the expenses have also risen with the shift to Banana Leaf.

## KMACON Update

Dr. Aarti Vyas shared an update on KMACON. She informed the house that the conference will focus on three main themes: **Obesity, Preventive Medicine, and Emerging Medicine**. She read out the list of speakers, mentioning that some are already confirmed while a few are still awaited. There

will be approximately 20 talks, with a balanced mix of junior and senior faculty, popular names, and some new faces. Around 40 stalls are being targeted for the event.

Dr. Saurabh advised that sponsorship payments must be secured before the event. He further emphasized that since some firms have a strict policy of releasing payments only after 120 days, a formal agreement with them is essential. This will ensure accountability, as staff changes within companies often lead to delays or lack of responsibility.

Additionally, Dr. Vipul Vakil mentioned that in the last KMACON, there were 40 stalls. He expressed that it would be even better if this time the number exceeds that figure. He advised that if the target is set at 40, the goal should be higher in order to achieve it. He further emphasized that bringing in sponsors is not the responsibility of one person alone, but of the entire committee. If every member secures 4 to 5 sponsors, the target can be achieved. He also stressed that the program should be finalized at the earliest.

## 7) Any Other Matter with the Permission of the Chair

Dr. Saurabh Dani informed the house that on 18 September 2025 the "Jai Hind Project" was launched with CSR sponsorship. The Founder Director of Galaxy Surfactants Ltd, along with Dr. P. D. Shah, inaugurated the project. Appeals for donations under the CSR initiative have already been sent out, and contributions are being received under Section 80G. A donor board will also be created to acknowledge and recognize the contributors.

President, Dr. Utpal Sheth shared his closing remarks.

The meeting concluded with a vote of thanks to the chair by General Secretary Dr. Saurabh Dani.
